Health in Emergencies and Among Refugees

Copenhagen School of Global Health

24 April 2018

ASSESSMENTS – THE FIRST PRIORITY IN RESPONSE

Public health is about making decisions on incomplete information (Gilbert Burnham)

Gradually adding precision

1. RULES OF THUMB
2. CHECKING THE INTERNET
3. 'HEALTH WALK' and other qualitative information
4. SYSTEMATIC QUANTITATIVE SURVEYS

VIRTUAL HEALTH WALK

WHAT IS THE POPULATION GROUP? MORE MEN, WOMEN, CHILDREN?

WATER AND SANITATION?

GENERAL SECURITY?

HOUSING?

WHAT IS FOR SALE ON MARKETS?
